**Eastern Regional Junior Angus Show 2019
June 21-23, 2019 - Timonium, MD.**

Greetings:

The Maryland Junior Angus Association and their families are excited to announce that we have been selected to host the 2019 Eastern Regional Junior Angus Show at the Timonium Fairgrounds. This will allow our association to showcase the excellent Angus cattle we have here in Maryland and share our local and cultural experiences with those that will travel from all over the United States to participate in this show. We will hold numerous educational, social, and competitive activities throughout the weekend. We expect approximately 300 exhibitors and their families from a minimum of 18 states to attend this event.

Our dedicated committees are working hard to ensure the most memorable and affordable weekend possible. As you may imagine, operating and hosting a show of this magnitude is a very expensive undertaking. The Maryland Junior Angus Association is a non-profit organization operating for the benefit of youth ages 8-21 seeking to advance their knowledge of the agriculture industry in the process of raising, marketing, and exhibiting Angus Beef Cattle. A steering committee of the Maryland Junior Angus Association members provides the leadership for this project with assistance provided by a group of adult advisors.

We invite you to become an integral part of this great activity involving youth and family from the world's largest purebred cattle organization in America. In order to accomplish our purposes and goals, we have created a very extensive and detailed budget and are anticipating a financial need of close to \$60,000 to successfully achieve our goal.

Financial goals for the 2019 Eastern Regional Show include:

- Provide breakfast, lunch and dinner for the exhibitors and their families for the three-day event.
- Providing gift bags for both exhibitors and showmanship participants.
- Stocking the hospitality tent with food and refreshments for the duration of the show.
- Decorating the facility and providing a back drop for the show ring.
- Entertaining participants and family members throughout the weekend.
- Providing an educational experience for all participants and all attendees.
- Inspiring families with a devotional service on Sunday Morning.

Cooperative sponsorships and donations will directly impact the experience we may offer. We are looking for sponsorships for the following: show ring, tradeshow vendors, opening ceremonies, meals, equipment needs for the show, exhibitor gift bags, showmanship gifts, class sponsors, and championship sponsors etc.

Our goal with your sponsorship is to tailor the recognition needs to best highlight your organization. With your sponsorship you will be recognized in the show program, with signage at the exhibition, notation on awards, banners, gift items, and/or other methods as you may suggest.

On behalf of the Maryland Junior Angus Association your assistance is requested in making ERJAS 2019, "Old Line Angus" a reality and the greatest possible show. Please accept our heartfelt thank you and appreciation for becoming a part of the show, we thank you for your time and consideration and we look forward to establishing a donor level for you.

Sincerely,

Megan Pelan
Eastern Regional Junior Angus Show Chairperson

David L. Brauning Jr. – Junior Advisor (443) 340-7641
